The Objective

To help influence and shape the future of equestrian sport in Scotland and to raise the profile of the sport. The programme's hope is that young people have the opportunity to influence decisions and strategies being put forward for the future of the sport.

SET UP

The panel will be made up of twelve people aged between 14-25 from all areas and levels (grassroots to elite) that will be divided into sub-groups. One term will be 12 months, with intakes taking place in February and 6 months later - allowing for an overlap between groups so different people can work together. There will be an option for an extension.

Living in Scotland

Aged 14-25

Equestrian Passion

2hrs a week

The Benefits

horsescotland

- Young peoples input and vision for the equestrian sport from a variety of sectors in the equestrian scene

The Benefits

Youth Panel

- Social media content/influencers across teenage and adult demographics
- Website Content/blogs/podcasts - raising awareness of the sport and encouraging participation.
- Attend events and training on horsescotland behalf and advocate for the organisation.
- Working with the horsescotland board
- Duke of Edinburgh award scheme.
- Work with different members from across the country to discuss the future of the sport.
- Mentoring opportunities

Candidate Information

- You will have underlying passion for equestrian sport and the equestrian community, whether it's being a participant or competing within your local riding centre. We are eager to get a diverse variety of input to help shape and challenge our strategy.
- Ultimately you will act as a champion for young adults supporting our Board. You will be an ambitious individual, that can gain the focus of a room and present your thoughts or opinions in a professional manner. We will expect you to bring a unique set of perspectives to the table, challenge and drive new ways for us to engage with young adults. As you will be able to influence decision making, policy, practice and the strategic direction of horsescotlaNd
