

Vacancy - Regional Chair, RDA West & Central Scotland Region

RDA West & Central Scotland is looking for someone with passion, skills and experience to lead the regional team and support the 19 member groups of Riding for the Disabled Association (RDA) in West & Central Scotland. Supported by a strong committee the Regional Chair plays a vital role in providing direction and development within the region. the Chair is an ambassador for RDA UK and has the opportunity to contribute to the development of RDA UK as a national organisation through their membership of the Regional Chairs Committee.

At RDA our **Vision** is to enrich the lives of all disabled people through horses. RDA is an inclusive and diverse organisation. We welcome clients with physical and learning disabilities and there are no age restrictions. Through our network of member groups, RDA is at work in every corner of the UK. In 2023 RDA will be concentrating on building stronger foundations that will enable our groups to deliver more services to more participants. Thereafter there will be exciting opportunities to lead West & Central Scotland Region in meeting ambitious growth targets before celebrating RDA 60th anniversary in 2029.

Chair of RDA West & Central Scotland Region is a significant voluntary role. RDA West & Central Scotland is seeking a self-motivated person with a strong commitment to the RDA vision. Some knowledge of the charity sector and the equestrian world in Scotland would be an advantage bonus.
